GOVERNMENT OF MEGHALAYA  
URBAN AFFAIRS DEPARTMENT

NOTIFICATION

Dated Shillong the 26<sup>th</sup> June, 2025

UAU.88/2024/ 595

1. Whereas, the issue of traffic congestion in the city of Shillong has been a matter of persistent public concern and has also been brought to the attention of the Hon'ble High Court of Meghalaya through various Public Interest Litigations. The Department has taken cognisance of these challenges and recognising their complex and multi-dimensional nature has undertaken a series of coordinated initiatives aimed at improving urban mobility and the management of public spaces. These efforts include the development of Multi Level Car Parking facilities to augment parking capacity, the introduction of Sustainable Transport and Efficient Mobility Society (STEMS) shared school bus services to reduce private vehicle usage, the proposed revamping of city's public transport system with the introduction of new fleet of buses, and the development of dedicated vending spaces and systematic removal of unauthorized hawkers from roads to restore the carriageway and pedestrian areas.

2. Whereas, despite these ongoing efforts, the demand for parking and road space in Shillong continues to outpace supply, resulting in persistent congestion highlighting the need for a structured approach to parking management in this city.

3. Whereas, to address this need, the Department has notified the Meghalaya Parking Policy for Urban Areas, 2025. The policy seeks to provide a comprehensive and sustainable framework for the regulation and management of parking in urban areas. Among its key objectives are the regulation of parking demand and ensuring optimal utilization of limited road space through several interventions including the introduction of paid on-street parking.

4. Whereas, the Department has constituted seven Zonal Task Force headed by Additional District Magistrates for the purpose of addressing parking management. In consultation with the Public Works Department and Dorbar Shnongs, the Zonal Task Forces have identified specific locations suitable for on-street parking. The process of demarcation of these zones by the competent authority is currently underway, in accordance with the provisions of the parking policy.

5. Whereas, the Zonal Task Force are also in consultation with the Dorbar Shnongs to finalize the modalities for collection of parking fee. Additionally, mechanisms for integration of technology for collection of parking fee is being discussed in partnership with GIZ.

6. Given all the above and in the Interest of decongesting Shillong city, the following on-street parking fee in Greater Shillong Planning Area are hereby notified with effect from the 1<sup>st</sup> of August 2025. The period from the date of this notification till 1<sup>st</sup> August 2025 shall be utilised by the Department and Zonal Task Forces to further streamline the modalities of fee collection and sharing of the revenue. Any unauthorized collection or deviation from the notified rates shall attract penalties as per applicable laws. The Department may revise the parking zones or zone classifications from time to time based on periodic assessments. This notification shall remain in force until further orders.

RECEIVED No. 78.
